

Brothers, Sisters, and Ladies of the Royal Purple Elks,

As we stand on the threshold of a new year, let us all find time to pause and reflect on the remarkable journey we have undertaken together. Your unwavering commitment to service, fellowship, and generosity has not only bound us as a collective but has also left an indelible mark on the larger community we serve.

In the spirit of the holiday season, let us extend the radiance of festive lights through our actions and attitudes. Your kindness, compassion, and steadfast dedication have been the driving forces propelling us toward shared success. As we step into the New Year, let us continue to inspire each other to embrace the transformative power of positivity in all our endeavors.

Always remember cultivating a positive mindset is more than just a characteristic; it is a daily choice we make. Together, let us opt for uplifting, supporting, and celebrating one another. By nurturing an environment of optimism, we can magnify the positive influence we wield on those in our sphere.

May the approaching days be filled with joy, camaraderie, and a profound sense of purpose. Here is to a forthcoming year overflowing with boundless possibilities and the unyielding positivity that defines our Elk community.

We extend our deepest gratitude for your steadfast dedication. Let us stride into the coming year as beacons of positivity, illuminating the path for all those we encounter.

From my home to yours, have a very Merry Christmas and Happy New Year to you all,

Brother D.E. (Don) Gillis
